

Building BubbaGirl® - "Texas Mary Takes the Bull by the Horns"

Some people dream; some people make their dreams become reality. Texas Mary (Mary Holsenbeck) had a dream to create BubbaGirl®.com--a place where women could come to:

- Find Themselves
- Nurture Their Dreams
- Go on Adventures
- Read About Brave and Accomplished Women
- Make Life Decisions
- Study Extraordinary Women in History
- Get a Glimpse of What a Woman Can Become
- Find Each Other

BubbaGirl®.com is unique because it challenges you to explore new ways of thinking--to experience new adventures and maybe even create a new way of life. It encourages you to get out in the world and DO something, not just sit at your computer and read about what others are doing.

"Be Unique By Being Adventurous. Get Into Real Life." -- that's the BubbaGirl® acronym.

We will introduce you to ideas you thought most women wouldn't dare dream about--even in this day and age. You'll meet women who pilot rocket ships, women who ride and shoot, women who have made it to the top of their fields in business, women who hunt, fish and hike the most harrowing trails.

If you have the interest and desire, Texas Mary will show you how to become one of these extraordinary women, if you're not one already, by meeting some famous BubbaGirls®, organizing exciting regional BubbaGirl® events and taking you on adventurous BubbaGirl® trips. She'll even guide you through personal coaching sessions to target your lifelong desires and help you reach your goals.

Sound good to you? Well, let's get moving! Sign up and become a part of the official BubbaGirl® network that will take you to a new world and maybe a whole new way of thinking.

BubbaGirl®.com salutes every woman who dares to dream . . . and make a difference!
